

GOOD KIDS NOMINATION

Good Life Family is on the lookout for kids aged 12 to 21 who exemplify what it means to show good values, leadership, character and integrity in all aspects of their young lives. This means the child you nominate does not need to be a valedictorian nor a star athlete, and need not have thousands of Twitter followers nor be a You Tube sensation. Instead, we wish to celebrate everyday good kids who inspire us because of their creativity, the values they uphold, the light they shine on others and/or the steps they've taken to be upstanding members of our community.

To nominate a Good Kid, please return the attached form to Tricia White at Tricia@GoodLifeFamilyMag.com
